

Dear Parents,

The Australian Strings Association (AUSTA SA) is a national organisation that brings together string teachers, performers, and makers. It aims to promote excellence in string music and support the growth of the string community through scholarships, awards, and events.

We are excited to share two fantastic opportunities for your child to participate in upcoming AUSTA SA events:

Student String Ensemble Workshop

 **Sunday 29 June** |  10:00am – 12:00pm

 **Seymour College** (Jane Hardy Gate 6, Gilles Road, Glen Osmond)

 **Free Family Concert: 12:00 – 12:30pm**

This workshop is a great way for students from **Preliminary to Grade 4** to gain ensemble experience and meet other young string players. Students will be placed in one of **three ensembles**, according to their skill level, so they can work with peers at a similar stage in their musical journey.

Students will receive music via a downloadable link when they book—please ensure your child plays the music through with their teacher beforehand to confirm their group.

AUSTA SA String Showcase

 **Sunday 29 June**

Please select one of the following sessions that best suits your child:

 **1:30pm** or  **3:00pm**

This is our **first-ever String Showcase**, and we are thrilled to offer this welcoming performance opportunity for string players of all levels.

At AUSTA SA, we believe music is a powerful way to connect with others. This performance is not about exams or competitions—it's about celebrating the joy of making music together. We encourage students to perform not just to achieve, but to share their musical journey and experiences with others in a supportive and encouraging environment.

We plan to run this event **twice a year**—once mid-year and once at the end of the year—giving students two great goals to aim for in their musical calendars. Students can perform **solo**, duet with their **teacher**, or bring an accompanist of their choice. A piano will be available on the day for use, but **please note that no accompanist will be provided**.

Important Booking Information:

Please note that **booking for each event is separate**. If your child would like to attend **both the workshop and the showcase**, you are more than welcome to do so! However, please ensure they are **enrolling for each event individually** to ensure they are registered for both. If you wish to participate in just one of the events, that is perfectly fine too—just be sure to book accordingly.

Warm regards,
Austa SA Committee
